

Summer 2024/25 Progressive Point Score

Updated after Round 15

Please note: The wet match indicator (W) only applies to entire wet rounds. In the case of some matches being completed their scores will be included in the tally. Unfinished matches will currently share the points (1 each) until the match is completed at the end of the rounds.

Some Round 13 matches were washed out. As this was 50% of the matches they will be completed at the end of the competition if needed.
